SWAN & CO'S LOTTERIES!—AUTHORIZED BY THE STATE OF GEORGIA—The following Scheme will be drawn by S. SWAN & CO., from Sourgeon is not only a fair specimen of from Sourgeon, is not only a fair specimen of his style, but an example of genuine pulpit eloquence:

"Can any one tell me when the beginning was? Years ago we thought the beginning of this world was when Adam came upon it, but we have discovered that thousands of years before that, God was preparing chaotic matter to make it a fit abode for man; putting races of creation upon it, who might die and leave behind the traces of His bandiwork and marvelous skill, before He tried His hand upon man. But this was not the beginning; for revelation points us to a period ere this world was fashioned-to the days when the morning stars were begotten; when like drops of dew from the fingers of the morning, stars and constellations fell trickling from the hand of God; when by His own lips He launched fourth ponderous orbs, when with His own hand, He sent comets, like thunderbolts, wandering through the sky, to find one day their proper sphere .-We go back to years gone by when worlds were made and systems fashioned, but we

have not even approached the beginning yet. Until we go to the time when all the Universe slept in the mind of God as yet unborn until we enter the eternity where God, the Creator, lived alone, everything sleeping with 200 Him, all creation resting in His mighty gi-100,000 gantic thought, we bave not guessed the beginning. We may go back, if we may use such strange words, whole eternities, and yet never arrive at the beginning. Our wing might be tired, our imagination would dis away. Could it outstrip the lightning's flash in majesty and rapidity, it would soon weary itself ere it could get to the beginning. But God from the beginning chose His people; when the unpavigated either was yet unfaned by the wing of a single angel, when space was cheerless or else unborn, when universal silence reigned, and not a voice or whisper checked the solemnity of silence, when there was no being and no motion, and naught but God Himself alone in His eternity; when, without the song of an angel, without the attendance of even the cherubim; long ere the living creatures were born, or the wheels of and the two succeeding Numbers to those draw-ing the first 7 Prizes, will be entitled to the 28 then, in the beginning was the Word, and in pproximation Prizes. the beginning God's people were one with for example: if Ticket No. 11250 draws the the Word, and in the beginning he chose
